## PROPERTY DESCRIPTION

Plenty of room in this well kept home. The room sizes are generous, with a great room that is 30X16 and guest bedrooms that are 14X12. This is a split floor plan and the kitchen features plenty of cabinet room for the cook, a new double oven, and a refrigerator. All of the home has light neutral colors for paint and carpet. In the laundry room there is a full size stacked washer/dryer set. There are two walk-in closets in the master bedroom/bath and a tub with separate shower. Many interior feature such as walk-in closets with extra shelving for storage, a gas fireplace, large kitchen with extra cabinets, a double oven, and many more features. There is a large pantry in the kitchen and a hall closet for brooms, mops, and vacuum cleaner. Outside is room for RV storage and no homeowner association restrictions. There is a screened porch and a 27 foot pool with a deck. In case of power emergency there is portable generator that has been tied in to the house power system. This is a corner lot which makes it convenient for RV and boat parking. The sprinkler system is tied to a well which reduces water costs. The system is zoned in such a manner that an area can be disabled when a boat or RV is parked in the back yard. The well provides water for pool fills and car washings as well. You owe it to yourself to view this home before you purchase any other in this price range. You will be happy you did.
