The Aruba plan provides lots of bang for the buck and will make any family proud to call it home. As you approach the covered front porch, you will see the decorative frosted front door. Inside the foyer, you find ceramic tile, lighted art niche, and a double arched entry. The next room is the great room with high ceiling, plant ledges, a fireplace and french doors that lead to the covered back porch. Faux wood blinds are on all the windows here and throughout the house. An architectural column helps define the dining room from the great room. Any cook will love the kitchen with attractive Colonial Lights cabinetry topped with Living Stone solid surface counter tops. The kitchen is fully equipped the Kenmore appliances including a side by side refrigerator, microwave/vent hood, dishwasher, and radiant cook top range. Other features include recessed lighting, an island, and breakfast bar. The master bedroom has a tray ceiling and ceiling fan. You will live in luxury in with this master bath. The "L" shaped vanity with 46" cabinet height, dual vanities, garden tub, separate shower, enclosed toilet area, and a large walk in closet round out the bath features. A half bath off the foyer serves as a guest bath. Two of the guest bedrooms share a "Jack and Jill" bath while the 3rd guest bedroom is ideal for a home office, "I love me room", or bedroom, you chose. All bedrooms are pre-wired and blocked for future ceiling fans. Cable and telephone outlets are already in place.
