PROPERTY DESCRIPTION

This exceptionally nice home in Crystal Creek has everything you would want to make it your home. The owners added many custom features when they had the home constructed including rounded corners, architectural arches inside, larger garage, wired for surround sound, and corian counter top. Since the home was completed by the builder they have added a screen porch with mylar windows and a hot tub for year around enjoyment. Outside you will find a superbly landscaped lawn with labor saving sprinkler system, privacy fence, and yard building. This is a great house for entertaining with formal and informal areas but still open and flowing floor plan. The fourth bedroom and pool bath is ideal for guests, mother-in-law suite, or teenager retreat. This truly is an exceptional home. Please click on virtual tour for more detail.
