## PROPERTY DESCRIPTION

Welcome to the 2008 "The American Dream Home" for the Homebuilders of West Florida Parade of Homes. This year's parade will be held April 19-27. The Dream Home this year is a 'Green' Dream Home that has been designed and built to display new and innovative ideas. It is a Certified Green Home so designated by the Florida Green Building Coalition and has the Energy Star designation. This year's Dream Home is located in beautiful Nature Trail subdivision located on nearly 750 acres with more than half devoted to preservation efforts. This gated community allows residents to find serenity while living conveniently close to shopping, dining, and entertainment. The subdivision is located on the south side of Nine Mile Road one mile west of I-10 Exit 5. The list of detail of this wonderful home is too long to list here. Please click on the photo for a complete news release that provides details for the home and this year's Parade of Homes.
